

STANFORD SUMMER EXCURSIONS

Students at our Stanford University Campus have two exciting weeks of excursions to look forward to!

On the excursion between the 6/21 and 6/28 weeks, we'll travel to San Jose to explore the [Winchester Mystery House](#), a 160 room Victorian mansion full of inexplicable oddities! Then we move on to spend the afternoon and evening at [California's Great America](#) the Bay Area's preeminent amusement park.

During our second excursion, we'll spend the day exploring San Francisco! First we'll visit the world-renowned [Exploratorium](#), a museum of science, art, and human perception. After enriching our senses, we'll walk through the famous [Fisherman's Wharf](#), giving students plenty of time to explore the city with our staff members. Finally, we'll travel to the [Berkeley Marina](#) where we'll take advantage of arts & crafts booths, field games, and free sailboat and dragon boat rides before seeing the fireworks in style, right by the water!
